

CALFED
BAY-DELTA
PROGRAM

0449
SEP 08 1999

Public Comment

Date 5.1.99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

If CALFED decides to build more
dams and reservoirs make those who
benefit, such as large agribusiness, pay
for construction. It would be nice
if someone could invent something
that wouldn't endanger the aquatic
creatures, if it is possible.
